President's Letter...Audrey Borja

Happy New Year everyone! How does it sound to say "2026." For me, I am just getting used to "2025." But, time does fly and here we are with another year with new and exciting opportunities to enjoy. I will serve again as your President and our Board members are listed in our club structure in this newsletter. Thank you to all that agreed to serve.

We have had a lot of fun in our dance club and continue to find additional venues to dance. Our club is thriving, but we want to increase our membership and that is a challenge to find a location with enough exposure to draw folks in. No problem,

we still have the spirit and drive among us to tackle it.

Our year has been eventful in that we danced at the Moose Lodge and the Highmark Brewery with The Pub a few times. The Moose Lodge continues to be good to us, but our exposure is so limited that it turns out to be more of a social gathering than a regular dance night. Our DJ, Dicky Estes has been very loyal and dependable. Thank you Dicky! Don Borja has DJ'd for us many times without charging us which has helped us get through some tough times financially. -Craig Jennings DJ'd for us at the Highmark Brewery and that is always a bonus to have Craig among us.

We had a great Annual Party at the Lake of the Woods Clubhouse and a spirited Christmas Party at the Highmark Brewery. Both events were well attended and got us on the dance floor to show off our footwork. The BBC members provided an abundance of food for the party. Craig was our DJ providing an array of music. Our Northern Virginia Shag Club friends were among us and added to the spirit and fun. They are always a bonus for us. Thank you! Please take a look at the pictures in this newsletter showing us having fun at the party.

To bring in the new year and say farewell to the old, a few of us went to the Outer Banks Shag Club New Year's (OBXNYE) party in the Out-

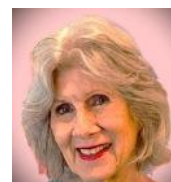

er Banks including Wes Kirchner's famous lady's leg. She is still kicking.

Thanks Wes! The OBX Shag Club put on a very memorable party and we all enjoyed seeing old and new friends. Please see the article that Cindy McWhirt contributed in this newsletter. It was Cindy and Thorney Chilton's first time for the OBXNYE party. While it was cold and windy in the OBX, it was nice to get a way and have a change of pace. Actually, it was their last NYE party in that there have been changes in the club as well as reduced members to manage another party. This was a bit sad to hear after 25-30 years of history having the NYE parties. So, it turns out that the Va. Beach Shag Club bought the hardwood floor to store it and potentially have the NYE party for the 2027 kick off.

So friends, our BBC is financially sound as I write this letter. We are starting off the year in good shape. Now that we are actually a "not-for-profit" status with IRS, we can breathe easier on reporting requirements. -A piece of cake compared to doing a long form for a Corporation as has erroneously been our status. Who would know.... -I am happy!

So, embrace your strengths, be good to your neighbors, give away smiles, and...

Let the good times continue to roll!

This year I was fortunate enough to be invited to the Outer Banks Shag Club's 30th Annual New Year's Eve Gala at the Hilton Garden Inn located in Kitty Hawk, North Carolina. We rang in the New Year with good friends, good food and fun filled music. For me it was a sentimental trip filled with many memories of summers gone by and happy times in one of my favorite places.

The first evening started off in the old Kitty Hawk pier house that has been transformed from a bait and tackle shop into a beautiful social area. I enjoyed a social hour in this area and it was one of the highlights of my trip to spend time in this special place that holds so much history. The evening continued with dinner and dancing in the ballroom and it was fun to watch the different dance styles of other shag club members from areas in North Carolina and Virginia.

The next day started with dance lessons during the day and more social time, dinner and dancing as we waited for 2025 to end and 2026 to begin. We had a champagne toast at midnight to welcome the new year and ended the night on the dance floor. I look forward to dancing with friends old and new in 2026!!!
