### President's Letter...Audrey Borja

Happy New Year everyone and a big thank you to my Officers and Board of Directors that agreed to serve BBC for 2024. You are the best! --By the time you actually read this letter the new year will be on its way. I wish you all a healthy and happy 2024 filled with your best times ever and surrounded by the ones that you love. Yes, the new year has started off with a bang as I look out of the window at a blanket of snow. Well, it is January so we can't complain. Just stay safe and cozy; that will get you through !

Our 2023 was eventful and full of surprises. We are still dancing at the Moose Lodge in Fredericksburg but we managed to venture out a bit to try other venues, I Now I want to

share with you some of the highlights of 2023. Our first two quarters were rather routine with our dance nights varying in numbers of folks that showed up. Our dance night has always been fun while dancing to our terrific local DJ's. Thank you guys! The summer seemed to fly by with vacations and comings and goings. Then of course we had our annual party in August which is always a hit. This is a popular event with BBC members, our NVSC friends, and local community folks showing up to dine and dance. Great fun for all! Then we had our Halloween party at the Moose Lodge. We took off for Thanksgiving and back again with our Christmas party. Each time we all had high spirits and always welcomed members that do not come on a regular basis. Parties seem to draw them out and we love it!

During the holidays we danced at the Highmark Brewery in Fredericksburg. What a fun night. We tasted the seasonal beer, had pizza and very large pretzels. Dicky Estes was our DJ and he really worked the crowd. We had many BBC members show up and our collective fun made us all want to come back for more. We will be dancing there again on January 30. So I guess the change of pace was good for us.

For New Year's Eve (NYE) several BBC members went to the Lake of the Woods Clubhouse for their dinner dance NYE party. That was a fun night as we all danced to the "Reunion" band. Not only did we shag, but we line danced and brought in the new year with balloons popping and singing "Celebration." What a bunch of great folks!

Now with the new year, yours truly went to the ACSC Mid-Winter of SOS. The mandatory meeting covered the status of our shag

association and the latest happenings of many of the 99 clubs.

There was a lot of discussion about the biggest 2024 mandatory meeting that won the bid to have it in Tennessee. The expenses as quoted are significant and discussion ended with the need for more review and consideration. However, the Tennessee location was considered cost prohibitive. --The weather in N. Myrtle Beach was windy and colder than usual. Not a good beach get-a-way for sure. The main event within the ACSC is that they are encouraging all of us to attract and welcome new club members. The shag population is at high risk with very few new and sustaining members, but we can overcome this starting in our own hometown. And, don't forget we are grateful for our juniors learning the dance and organized to help us keep our dance alive. We have to all work together on this challenge to preserve our dance. On the light side and doing our part together, the BBC and the NVSC plan to have another joint party at the Woodbridge Moose Lodge. Please stay tuned for more information about this energetic, fun party. You will not want to miss it!

So, as we get underway with our new year, we hope that you all have high hopes for good health and prosperity within our own limitations. We can only give every day our best effort and look on the positive side when you have choices. Take care of each other, try to behave, and dance when you can. We hope to see you soon and together, we will share our happy places.

...let the good times roll!

*In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.*

# THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

## the Basics

Courtesy of GoShagging.com and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the <b>LEFT</b> foot forward.	Count: ONE	L	
		↑	R
On the "AND" count, move the <b>RIGHT</b> foot forward.	Count: AND	L	R
			↑
<i>Note: Both feet should now be in an even line.</i>			
On the "TWO" count, move the <b>LEFT</b> foot back.	Count: TWO		R
		↓

On the "THREE" count, move the <b>RIGHT</b> foot all the way back and behind your left foot.	Count: THREE		↓

The "AND" count is a weight shift to the <b>LEFT</b> foot.	Count: AND	L	WEIGHT
<i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>			←

The "FOUR" count is a weight shift to the <b>RIGHT</b> foot.	Count: FOUR

<i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>		WEIGHT	→

The "FIVE" count is a step back with the <b>LEFT</b> foot.	Count: FIVE

<i>Note: Both feet should again be in an even line.</i>		L	R
The "SIX" count is a step up with the <b>RIGHT</b> foot.	Count: SIX

<i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>		L
