### President's Letter...Audrey Borja

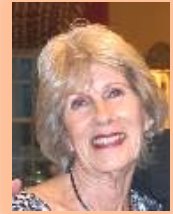

As I write this letter, winter is upon us and we have already had a foot of snow practically overnight. What a time we have all had with our power outage and dark rooms. Our food supplies were becoming a problem as the freezers were defrosting over the 3-4 days without power. The situation has made us stronger and more thankful for our working utilities. We are starting to thaw, but with the early snow, we do not know what the rest of the winter will bring. For now, I want to welcome our Board of Directors back on the

job for 2022. Thank you to our team for stepping up once again. Of course, our dance club has been somewhat on hold during the holidays to allow more time with families. Our Christmas party at the Falmouth Firehouse was a success with our pot luck dinner and dancing to the tunes played by our hometown DJ, Dicky Estes. The Firehouse was a nice warm accommodation for us with a large kitchen and spacious dance floor. Thank you to Larry and Donna Bivens for arranging the venue and all they did to make it happen including setting up the lovely dinner table. We had a small committee that searched all over town for a location to have our Christmas celebration and Larry and Donna came through for us. Thank you to all that worked together to make our party a reality.

venue to enjoy throughout the months. So, stay tuned to our Bugle Call. We are looking out for you and will bring the good-news options to you as we can.

So, as we begin a new year, let's stay well and stay safe. The public arena challenges us with the news of the day and threats of contacting illness. The motto is to remain cautious and wise. Do not set yourself up to catch a bad virus or disease. May we all be vigilant and do our part to contain our fresh, sweet air and to be as healthy as we can. Watch the Bugle Call for updates, events and activities as we and our fellow dance networks plan during 2022 to get you out and about!

Let the good times roll~ 😊

*In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.*

# THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

## the Basics

Courtesy of GoShagging.com and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the <b>LEFT</b> foot forward.	Count: <b>ONE</b>	
On the "AND" count, move the <b>RIGHT</b> foot forward.	Count: <b>AND</b>	
On the "TWO" count, move the <b>LEFT</b> foot back.	Count: <b>TWO</b>	
On the "THREE" count, move the <b>RIGHT</b> foot all the way back and behind your left foot.	Count: <b>THREE</b>	
The "AND" count is a weight shift to the <b>LEFT</b> foot.	Count: <b>AND</b>	
The "FOUR" count is a weight shift to the <b>RIGHT</b> foot.	Count: <b>FOUR</b>	
The "FIVE" count is a step back with the <b>LEFT</b> foot.	Count: <b>FIVE</b>	
The "SIX" count is a step up with the <b>RIGHT</b> foot.	Count: <b>SIX</b>
