## President's Letter...Audrey Borja

As I write this letter, summer is in full swing. The 4<sup>th</sup> of July brought rain, fireworks and lots of festivities and the spirits were high. I trust that each of you are having a good summer and you and yours are well and safe. We are in the midst of planning our one-day BBC Annual Party on August 20. We will have a Luau theme with all the trimmings that we can to make the party another BBC Blast~ We are so excited to have Jim Rose coming back to our area to be our DJ for our Luau. Jim was born and raised in Freder-

icksburg and moved to N. Myrtle Beach where he has made it big in the DJ world. Among his many achievements, Jim is a member and holds a Hall of Fame designation of the Association of Beach and Shag Club D.J.'s having served as President for a number of years. Jim is now one of the DJs on the popular Jukin Oldies radio station. We want to welcome Jim and let him know how proud we are of his success. Other evening offers for our party include entertaining dancers, silent auction, 50/50, door prizes and a sit down served dinner. Jim's music will get us on the dance floor throughout the evening. We are looking forward to an evening of fun and fellowship. See our attached party flyer for more details about the party. Also, please see the attached Richmond Shag Club's flyer. They will have their 2-day Annual Party on August 12-13. For our regular dances, we have requested dates to dance at the Moose Lodge up to and including September so far. We will plan to dance unless we are bumped for the Moose Lodge official business. Please make a note of the dates to incorporate into your plans: July 13, July 27, August 10, August 24, September 14, and September 28.

We are scheduled to dance at the

Orleans Bistro and Grill on August 18 and September 22.

We all agree It is always fun on occasion to have a change of dance venue while enjoying good food and music.

Be sure to join us at our dance nights. Also, please stay in touch with the Bugle Call for confirmations and/or changes to our schedules.

We are hoping to have a summer picnic, but due to summer travel and other commitments, the date has not yet been finalized. So, please stay tuned. Developments will be announced in the Bugle Call.

As we all know the dance world still has challenges for us in gathering while keeping COVID cautions in our rear-view mirrors. It is difficult to gather without thinking of our social distancing and still enjoying our dancing. We are trying to be smart and relaxed all at the same time. If that is possible. My message to you all as I close this letter is to be safe and alert to your surroundings. May we keep clean hands and make good choices. This is what your mother would tell you~~~

Until I see you, let the good times roll~~

*In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.*

# THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

## the Basics

Courtesy of GoShagging.com and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the <b>LEFT</b> foot forward.	Count: ONE	L	↑	R
On the "AND" count, move the <b>RIGHT</b> foot forward.	Count: AND	L	↑	R
Note: Both feet should now be in an even line.				
On the "TWO" count, move the <b>LEFT</b> foot back.	Count: TWO	↓	L	R
On the "THREE" count, move the <b>RIGHT</b> foot all the way back and behind your left foot.	Count: THREE	↓	L	↓
The "AND" count is a weight shift to the <b>LEFT</b> foot.	Count: AND	L	←	R
Note: You may also step in place with the left foot. Do not move it forward or backward.				
The "FOUR" count is a weight shift to the <b>RIGHT</b> foot.	Count: FOUR	L	→	R
Note: You may also step in place with the right foot. Again, do not move it forward or backward.				
The "FIVE" count is a step back with the <b>LEFT</b> foot.	Count: FIVE	↓	L	R
Note: Both feet should again be in an even line.				
The "SIX" count is a step up with the <b>RIGHT</b> foot.	Count: SIX	L	↑	R
Note: Next, you step forward with the left foot back to the "ONE" count.
