President's Letter...Audrey Borja

Happy Summer everyone! Oh my, while we are in the midst of our lazy days of summer, I think it is a feel good state of mind to kick back with fun things to do like water sports, cook outs, and many outdoor activities. Of course we dance whenever we can whether inside or outside. As I write this letter, we are planning our BBC Annual Party for August 26. The party will be inside, but the theme is "Beach Ball" to get us all thinking about beach and playtime. Symbolism like shaking off the sand in

our shoes to party with our friends will surely set the mood. From a served dinner to dancing to the tunes of our local DJ, Dicky Estes, we will have a full evening. The silent auction should get our attention and our surprise entertainment will add to fun as our beach balls bounce around the room. We want everyone on the dance floor as they are able to do whatever dance they want. That is what a party is all about. Kick back, dance and enjoy the music~

This letter is brief in that we have all been out and about and we are low key at the home front. The rest of the summer events and time with your families should keep you busy. There are several dance parties and bands playing in our area that will get you going. Please look at the "What's Up" section of the Newsletter for a list of happenings. The main thing is to enjoy your summer, do what makes you happy and be with the ones you love.

Let the good times roll... 😊

We still have had our regular dances on Wednesday at the Moose Lodge in Fredericksburg. The Moose has been good to us by giving us a place to dance. One drawback to our venue is that we are not public enough where non- Moose members can stop by and check out our dance and what fun we have. This would be one way to attract new members for our club. We are going to try new venues as soon as we can. This search is challenging because gone are the days when hotels and restaurants have a place to dance. We will keep trying and for now we are grateful that we can dance at the Moose Lodge.

OUT AND ABOUT

By Shirley Kirchner

Have you always wanted to go to SOS to listen to the Fun Monday bands on Main Street in North Myrtle Beach? Well, you can still make plans to attend the Fall Migration coming up in September and enjoy the bands playing at The Spanish Galleon right on Ocean Drive. But, in the meantime, on July 20, you can take a shorter trip to Culpeper, YES CULPEPER, on Thursday, July 20, to see the Band of Oz in person at The Depot at the end of East Davis Street. The cost is \$10.00 per person. Many of our BBC members have enjoyed the beach music bands in the past at the Third Thursday concerts in Culpeper. The crowd is filled with enthusiastic folks sitting in their beach chairs, clapping and swaying to the music. Many in the crowd get up to dance in the street to all the great beach music tunes the Band of Oz has made famous. We often see folks we know from the BBC, past and present, and from the Fredericksburg community. Food trucks are on sight if you get hungry and beer and cold beverages are also available. Plan to attend this local street concert, wear your favorite beach clothes, and be ready to enjoy the BAND OF OZ in CULPEPER!!!

Another opportunity to hear the Band of Oz and other beach music bands like Cat 5, The Entertainers and Blackwater, is the weekend of July 28-29 in Buena Vista, VA. The trip is a little further but where else in Virginia can you go to take in the beach music of so many bands in one place. The 25th Beach Music Fest is held at Glen Maury Park and costs is \$10.00 on Friday night and \$25.00 for all day on Saturday. Bring your own chairs to sit in the shade under the pavilion, and bring your comfortable dance shoes and squeeze out on to the dance floor. Beach music lovers and shag dancers come from all over to attend this event and, if you choose to, camping is available in the park which allows you to stay for both days of this popular event. There are also nearby hotels. So much fun to have right here in Virginia!

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✱

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the LEFT foot forward.	Count: ONE	L	
		↑	R
On the "AND" count, move the RIGHT foot forward.	Count: AND	L	R
			↑
<i>Note: Both feet should now be in an even line.</i>			
On the "TWO" count, move the LEFT foot back.	Count: TWO		R
		↓	
On the "THREE" count, move the RIGHT foot all the way back and behind your left foot.	Count: THREE		↓

The "AND" count is a weight shift to the LEFT foot.	Count: AND	L	WEIGHT
<i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>			R
The "FOUR" count is a weight shift to the RIGHT foot.	Count: FOUR		L
<i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>		WEIGHT	R
The "FIVE" count is a step back with the LEFT foot.	Count: FIVE

<i>Note: Both feet should again be in an even line.</i>		L	R
The "SIX" count is a step up with the RIGHT foot.	Count: SIX		
<i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>			R
