President's Letter... Audrey Borja

Hello out there.....and welcome to Spring~~The winter was good to us with no real snow challenges. Whew! We didn't miss one dance night due to snow. We had some fun times during the winter, Valentines Day and St. Patrick's Day parties with lots of games, prizes and dancing. Many thanks to our DJ's that play the best beach music in town and to our BBC volunteers that prepare our festivities for our parties. It is hard to beat a

winning team. The Virginia Shaggers Hall of Fame event was well attended right here in our hometown. I was fortunate to be inducted into this classic association and believe me, I am honored. I will continue to work for shag and promote it and embrace the friendships that it so graciously brings. There is no other bonding that lasts a lifetime. Thank you to everyone that is a part of my life. I love you all~

reachable, and together we can make it happen!

You want to plan to register for the Northern Virginia Shag Club's annual party May 12-15. It will be a park and party weekend with Jackie and Charlie, king and queen of shag as weekend guest. The fun awaits and we can make it happen!

I want to share with you that we had some serious surgeries among our members these past few months. We are pleased to report that the procedures were smooth and our members are in recoveries. Without mentioning names, just come on Thursdays to dance and our shining stars will enjoy your hugs and good wishes. We are all one united family and our friendships not only support us, but keep us thriving and happy. Everyone take care and embrace your strengths. We will see you on the dance floor and *may the good times continue to roll!*

VIRGINIA SHAG HALL OF FAME

AUDREY'S INDUCTION INTO THE VSHOF

*The Battlefield Boogie Club is so proud of
Your accomplishment and we Love You.*

Virginia Shag Hall of Fame Annual Even *by Wendy Osborn*

March 24-26 was a weekend of celebration, renewing old friendships, welcoming new inductees and of course shagging! All of this held right in Fredericksburg at the Hospitality House for the second year. Members and dancers came from all over Virginia.

Many of the committee members joined our BBC on Thursday night at Shannons to start off the weekend of fun and dancing. Friday night began with a free pour where afterwards there was dancing and silent auction. Saturday everyone had free time to tour historic Fredericksburg before returning to the hotel for another free pour social with finger foods.

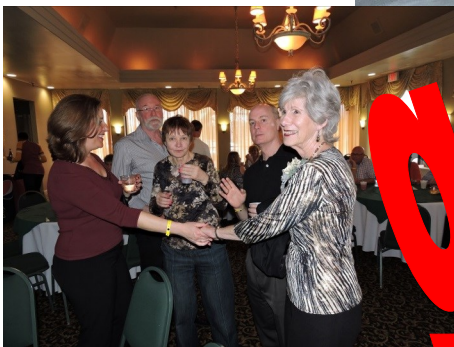

Saturday night is not only an evening of high spirits with dinner and dancing, it is the momentous occasion where the VSHF recognizes shag dancers throughout Virginia that have made significant contributions in bringing awareness and support to the dance. Annual inductees are nominated and approved by the already existing members. One exceptional inductee was nominated by the Northern Virginia Shag Club where she started her enthusiastic support for the Carolina Shag in 1997. She has given lessons for 19 years and served on numerous committees while planning many events. In 2004 as one of the BBC founders, she continues to teach, provide leadership and organize while serving as President for 9 years and Vice President for 3. Her efforts for our club are tireless, all the while her and husband Don compete in 6-10 contests each year in the Competitive Shaggers Association. This amazing person is our very own, BBC President **Audrey Borja** – Virginia Shag Hall of Fame recipient!

I want to thank all of you who believed in me and supported me over the years and I'm so touched by this... I hope I have touched your lives as much as you have touched mine...
THANK YOU !

And guess what, Virginia Shags!

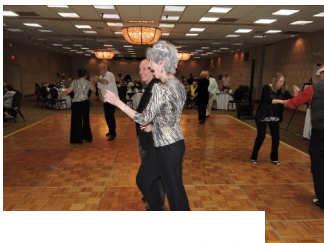

go girl!!!

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

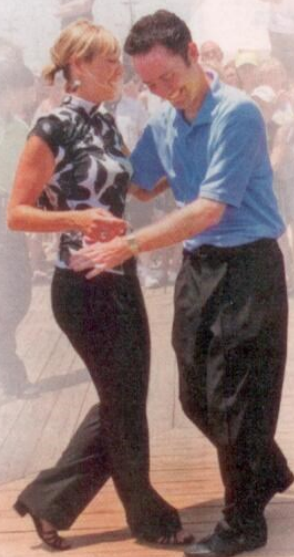

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

the Basics

and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the LEFT foot forward.	Count: ONE	L ↑	R
On the "AND" count, move the RIGHT foot forward. <i>Note: Both feet should now be in an even line.</i>	Count: AND	L ↓	R ↑
On the "TWO" count, move the LEFT foot back.	Count: TWO	L ↓	R
On the "THREE" count, move the RIGHT foot all the way back and behind your left foot.	Count: THREE	L	R ↓
The "AND" count is a weight shift to the LEFT foot. <i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>	Count: AND	L ←	R
The "FOUR" count is a weight shift to the RIGHT foot. <i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>	Count: FOUR	L	R ←
The "FIVE" count is a step back with the LEFT foot. <i>Note: Both feet should again be in an even line.</i>	Count: FIVE	L ↓	R
The "SIX" count is a step up with the RIGHT foot. <i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>	Count: SIX	L	R ↑
