President's Letter... Audrey Borja

Where did summer go? It was a great summer with lots of fun with family and friends. Although we are now entering autumn, we have lots to look forward to with our many activities on our schedules. As we go into cooler weather and slow down our pace, I want to remind everyone that dancing is good exercise and brings people together that care about their good health. So, put us on your calendars now before they fill up~~~
We had a goal of 100 members by the end of this year. At this

point in time we have a way to go to reach this goal. We have lost some members due to illness, moving away and from simply not able to come due to other things going on in their lives. But there is always next year and with your help we can proudly reach our 100 goal. Our DJs are providing terrific music for dancing and for pure listening pleasure. We have also added more music that our folks can dance to even if they don't shag. The DJs love to have requests and play their music for you. So, dancing free flow is okay. We welcome anyone and any type of dance on the floor. We will be adding more line dances to get everyone up. The shear movement of your body is healthy. Over the next few months, we are considering our shag lessons and the actual dance time and even the frequency of our club night. They may turn out to be different nights or other changes, so stay tuned to these possibilities. Either way, we want you all to be happy and look forward to dancing!

The word that SOS was great fun came back from many of our members that attended. Please read the Donna's article in this newsletter. I did not go, and I missed out on the fun. ~

We have activities coming up in our BBC plans to include dancing at the Mall, co-sponsoring dances with bands and other shag clubs, parties with other organized clubs in our area, and Fairs and parades. There are so many ways for you to get involved. We are planning to have a Halloween party and it will truly be unique, so put the week of Oct. 23-27 on your calendars. Specifics will follow in our Bugle Club. Our Christmas party will be on 12/14 and will be filled with merriment to the tunes of our DJs. Check the attached flyer for a fabulous New Year's Eve party at the Outer Banks. Many of us are planning to go.

As we go into the end of 2017, please communicate your ideas and suggestions to our board. We want to make our BBC the best club in Virginia and one that is responsive to your recreational choices. We want to be here for you! Stay tuned because we are changing our dance venue soon and are excited about our new dance location. Watch the Bugle Call for details! So embrace your strengths and take care of your health and...let the good times roll!~.

BBC Big Little Blast

Great time was had with BBC members dancing and celebrating our special night. Hope you were among us. Thanks to many Northern Virginia Shag Club members for joining us and dancing to Dicky's beach music. We all enjoyed the food and the games until it was time to close up. Thanks to the committee and to all that helped put the party together~

September 2017 Fall Migration

By Donna Bivens

Fun was had by all who attended Fall Migration this year. The weather for the entire week was wonderful. Warm sunny days and pleasant evenings on Main Street. Great bands were heard every night in the Spanish Galleon. One of the best I heard that week was the Entertainers on Thursday night. Fun Sunday and Fun Monday drew huge crowds and the groups had everyone dancing to the great music. Almost every shag club had private parties during that week at the many dance venues.

One of the most memorial events that week was the Memorial Celebration that is held on the beach in front of the Ashworth Hotel every September on that Wednesday at 12:00. The event is put on and paid for by DJ Rich from the Pittsburgh Shag Club. The event honors all military, first responders, police and firemen for there brave service. It is a very moving experience. This year they had approximately 60 men and women come forward for the public to thank them. It truly moves you to tears with the music, professional singers and some sad true to life stories. 200 American flags are handed out to everyone and we joined hands in unity and song. If you have never had an opportunity to attend please make a point to attend next September on Wednesday. Plus that same DJ plays music at that same location everyday from 11:00 until 4:00 for free. This is a great place to put your sand chairs down, see old friends, listen to some really good music and enjoy the ocean. If you have never been to SOS you truly don't know what you are missing and getting to know people from all over the country. Make your reservations now.

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

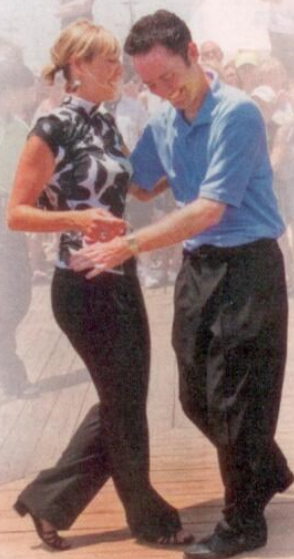

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

the Basics

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the LEFT foot forward.	Count: ONE	L	↑	R
On the "AND" count, move the RIGHT foot forward.	Count: AND	L		R
<i>Note: Both feet should now be in an even line.</i>			↑	
On the "TWO" count, move the LEFT foot back.	Count: TWO		↓	R
On the "THREE" count, move the RIGHT foot all the way back and behind your left foot.	Count: THREE	L	↓	R
The "AND" count is a weight shift to the LEFT foot.	Count: AND	L	←	R
<i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>				
The "FOUR" count is a weight shift to the RIGHT foot.	Count: FOUR	L		R
<i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>		→		
The "FIVE" count is a step back with the LEFT foot.	Count: FIVE		↓	R
<i>Note: Both feet should again be in an even line.</i>		L		
The "SIX" count is a step up with the RIGHT foot.	Count: SIX			R
<i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>		L	↑
