President's Letter... Audrey Borja

As I write my letter, it is 90 degrees! It has surely been a hot summer and each of us can attest to that. With family vacations and trying to stay cool, our dance activities have been suffering. We have our club's dance nights on Wednesdays at the Moose and the turnouts have improved. We added candles and decorations to the tables to provide some evening atmosphere. We know many of our members are out of town or just plain hot and do not want to come out. But, that is okay....we are all in the same boat. Our dance lessons have captured a few hardy folks and they seem to enjoy our 6 count foot work. We are so happy that we had several newcomers join our BBC. The Moose Lodge has been good to

us since we first made our home with them. In October, it will be 2 years in since we first embraced the Moose. It has been an adjustment, but we are thankful. It is very difficult to find venues that are a fit for us so we want to make the Moose as suitable for us and we can. Now, as we move into the second part of the summer, we are planning to have a picnic in August instead of July. It has just been too hot! Please stay tuned for the date and location. Also, please see the "What's Up" column in this newsletter for events coming up that will include dance and socials. Our annual party is on October 12 at the Lake of the Woods Clubhouse, so please put it on your calendars. This should be a great party! Don't forget to bring in your silent auction items for us to start preparing the auction. SOS is 9/12-21 in N. Myrtle Beach, S.C. Be sure that you have your SOS cards which I am selling before I return the unsold cards in early August to go back to the Association where they can sell and determine how many tickets overall have sold. Our BBC board officers are currently selling "Fun Monday" tickets with chances to win prizes ranging from \$250 - \$7,500. So, if you see one of the officers, please consider buying one or more tickets at \$10 each. Good luck with your tickets~!

The NVSC is having their annual party on August 15-16 in the Dulles

area of Northern Virginia. Check out their web site at nvshag.org for more details and registration. It is always a good party! For a change in venues which we like to do occasionally, in August our BBC will hold our club dance at the AM Seafood on Rt.3, Fredericksburg. It will be on a Thursday night because the AM Seafood has karaoke on Wednesday nights, our normal dance night. So, stay tuned to the Bugle Call and on our regular dance

night to get the latest. For now, stay cool, come out and dance with us and start getting ready for more parties and SOS in September. If you have suggestions of how to enhance our club, attract new members and have even more fun, just let the board members or me know your thoughts.

Do embrace your strengths and continue to let the good times roll!

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

the Basics

GoShagging.com
and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

| | | |
|--|---------------------|--|
| On the "ONE" count, start by moving the LEFT foot forward. | Count: ONE | |
| On the "AND" count, move the RIGHT foot forward. | Count: AND | |
| On the "TWO" count, move the LEFT foot back. | Count: TWO | |
| On the "THREE" count, move the RIGHT foot all the way back and behind your left foot. | Count: THREE | |
| The "AND" count is a weight shift to the LEFT foot. | Count: AND | |
| The "FOUR" count is a weight shift to the RIGHT foot. | Count: FOUR | |
| The "FIVE" count is a step back with the LEFT foot. | Count: FIVE | |
| The "SIX" count is a step up with the RIGHT foot. | Count: SIX | |
