President's Letter... Audrey Borja

Summer is half over now and we are all busy with our fun in the sun with family and friends. It was a quite spring for us as it flew by giving us lots of rain and a slow start to nice weather. The BBC has been slowly adjusting to our new venue with the new environment and comfort levels of the Moose Lodge. They have been good to us and we appreciate the opportunity to

have our dance nights at such a hospitable venue. I am in the process of looking into being able to dance every week at the Moose instead of every other week. We all get a little antsy waiting and not knowing exactly which Wednesday we are dancing. Stay tuned to this.

to have the party in the summer again, or wait until fall.

We will keep you posted and with the calendars filling up, we hope we can get this on your calendar soon.

Our BBC is thriving and want you among us to keep the wheels rolling. We wish you a healthy, fun summer. Come out to dance with us, bring a friend and join in! You will find that our spirits are high!

Dancing is good medicineso let the good times roll!

Please look at the What's Up section to see all of the dance parties going on up and down the coast including the Capital Classic in Northern Va. on July 27-28. This is a great weekend party with a workshop on Saturday with dancing teens, brother and sister from N. Myrtle Beach that will wow you and you can learn from them at their Saturday workshop. Check it out. You won't regret it. Your Board and I are planning to have our Annual Party in November. Lots of surprises so stay tuned. The late planning is my short coming in that I was unsure whether

BBC Having a HOT Time BBQ Picnic

The Moose Lodge Pavilion 1655

The heat of the day in the 90's helped us kick off our BBC picnic on 6/30 at the Moose Lodge Pavilion. Our folks came with great stamina and enjoyed our spread of food. Barbecue, sauce, beans, and rolls were provided by a local enthusiast that is a real estate broker by profession but loves to barbecue... And he is good at it....we all piled it on. Thank you Mark! I want to thank our BBC members that brought side dishes, beverages, desserts and lots of chips. Even with the heat, some of us played horseshoes with expert Chuck Duymich. Thanks Chuck! We even did some line dancing. What fun as usual! We enjoyed Melissa and Ron's Lipps' grandson, Leighton Carter singing for us. He was so confident and really kept our attention. The little guy has a bright future, maybe in Broadway. Our loyal Darlene Weaver came to bring her contribution to our food and we found out that she had fallen and broken her wrist. Her arm was in a sling, and Benny, her husband was supporting her along in the walk from the car to the pavilion. Oh my...They stayed a while, but left early so Darlene could go home and surrender to her drugs and pain. Poor dear.

Thank you goes to George Colwell, Mitch Vlahovic-McIlvene, Don Borja and yours truly that took the first layer of dirt and dust off of the tables and moved them to set up our layout. Thank you to Wes Kirchner for bringing the blower to enhance our hand cleaning. Thank you to everyone for helping us set up, break down and put the tables back in place. What a hardy group we are~~ I guess we could have our picnic in the fall of the year, but it wouldn't have been as much fun toning up our endurance. If you could not come to the picnic, maybe you can make the next event...stay tuned for the details. See you at the Moose on dance night. Watch the Bugle Call for the news~~

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

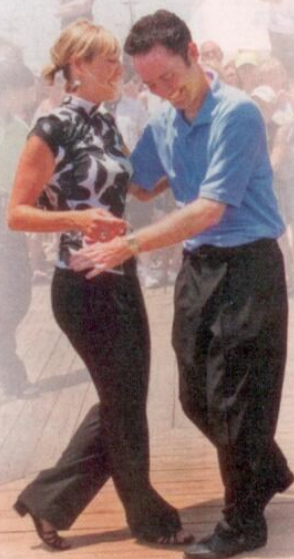

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

the Basics

GoShagging.com
and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

| | | | |
|---|--------------|---|---|
| On the "ONE" count, start by moving the LEFT foot forward. | Count: ONE | L | R |
| On the "AND" count, move the RIGHT foot forward. | Count: AND | L | R |
| <i>Note: Both feet should now be in an even line.</i> | | | |
| On the "TWO" count, move the LEFT foot back. | Count: TWO | L | R |
| On the "THREE" count, move the RIGHT foot all the way back and behind your left foot. | Count: THREE | L | R |
| The "AND" count is a weight shift to the LEFT foot. | Count: AND | L | R |
| <i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i> | | | |
| The "FOUR" count is a weight shift to the RIGHT foot. | Count: FOUR | L | R |
| <i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i> | | | |
| The "FIVE" count is a step back with the LEFT foot. | Count: FIVE | L | R |
| <i>Note: Both feet should again be in an even line.</i> | | | |
| The "SIX" count is a step up with the RIGHT foot. | Count: SIX | L | R |
| <i>Note: Next, you step forward with the left foot back to the "ONE" count.</i> | | | |
