President's Letter...Audrey Borja

Hello everyone and welcome to the holiday season! The lights are going up and the celebration of Christmas is in the air. I hope that all of our family and friends are well and looking forward to a time to reflect and embrace. Our BBC has had a bit of a low in the past couple of months. Our dance nights have been more predictable, but the membership has dropped off. We have tried to increase the enthusiasm, but whatever is going on among us is keeping many folks away. We have a steady venue and great DJ's so it remains a mystery. We

are counting on the new year to bring higher spirits and inspiring gatherings. We will have our Christmas party on December 14 at the Moose Lodge with a pot luck buffet. We look forward to many of our membership and guests attending. We will close out the year with a state of the club report, recognitions, games, music, dance, and lots of food. So, hope we will have a good turnout.

I am counting on the new year to provide new ideas for the BBC. I do know that we will have a small group of our members reach out for other dance venues and fun activities for our club. We will work with some folks in the Richmond and Colonial Shag Clubs to put together an initiative to attract juniors and new dancers. We all want to do our part in preserving the shag. This is happening up and down the coast with shag clubs to renew our focus on the dance that we all love. We should be in a position to have a workshop in the 1st quarter of the new year. I am fairly sure that our sister club in Northern Va. will participate in pulling this worthwhile endeavor together. And, Richmond has adequate resources to join the challenge. So, we will send out information soon that will kick off our opportunities.

We trust that the flu and nasty COVID derivatives are out of sight. We are all so ready to feel safe and sound when we get together. I guess to some extent, caution is the best medicine. I hope that each and everyone of you will use good judgement and protect yourselves from all kinds of harm. We will see you soon and for now, I wish you an old fashion holiday, one filled with family and friends. Embrace your strengths and give away your smiles, they are free. Let the good times roll and heed my sincere greeting.....

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

the Basics

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the LEFT foot forward.	Count: ONE	L	
		↑	R
On the "AND" count, move the RIGHT foot forward.	Count: AND	L	R
			↑
<i>Note: Both feet should now be in an even line.</i>			
On the "TWO" count, move the LEFT foot back.	Count: TWO		R
		↓	
		L	
On the "THREE" count, move the RIGHT foot all the way back and behind your left foot.	Count: THREE		↓
		L	↓
			R
The "AND" count is a weight shift to the LEFT foot.	Count: AND	L	WEIGHT
<i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>			R
The "FOUR" count is a weight shift to the RIGHT foot.	Count: FOUR		L
<i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>		WEIGHT	R
The "FIVE" count is a step back with the LEFT foot.	Count: FIVE		↓
<i>Note: Both feet should again be in an even line.</i>		L	R
The "SIX" count is a step up with the RIGHT foot.	Count: SIX		R
<i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>		L	↑
