### President's Letter... Audrey Borja

Happy New Year to our BBC'ers! Can you believe it is 2020? How time flies. First of all, I want to welcome our 2020 Board of Directors and to thank them for their willingness to serve another year. You are the best! I hope that our new year finds you in good spirits with a fresh beginning. Not to get gloomy, but maybe our 2019 had some bumps, but let us think that we are stronger by our recoveries and in personal learning and growing. I am very sad when I think of illness issues and passings of some of our member families. Please pray for each other and for our world. We need to do our best to support each other in

times of need. So, as we begin our new year, let me share with you what a great time BBC folks had at the OBX New Year's Eve party. What has become a tradition, couples got together and went to Kitty Hawk, N.C. for another New Year celebration. The best part of the party was that we were all together and shared precious time. What a pleasure and how special even with less than 100% gusto, we reflected on each year, our friendships and our good times. We are truly blessed.

our local folks.

I want to thank the Moose Lodge for allowing us to continue to call it our home base. We have been there going on 3 years and they have been good to us. They have extended our nights to dance to include the extra 5<sup>th</sup> Wednesdays . We are also discussing other opportunities with them to add to our dance nights. We want you to come and join us as often as you can and work with the BBC to increase mem-

bership and our activities. The Moose has also instituted a no smoking policy. So I hope you all are happy with that new development. Clean air is good. Our DJs are the best and our dance lessons offer new introductions to shag and continued foot work. Line dancing and free flow dancing also get folks on the floor. What a great night out! So, as you get into your winter, please put our dance night on your calendars. Join in the tasks to keep us going and help us plan for new and exciting activities for the BBC. We are inspired with our new year!

Let the good times roll!

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

# THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

## the Basics

Courtesy of GoShagging.com and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the <b>LEFT</b> foot forward.	Count: ONE	L ↑	R
On the "AND" count, move the <b>RIGHT</b> foot forward. <i>Note: Both feet should now be in an even line.</i>	Count: AND	L R ↑	
On the "TWO" count, move the <b>LEFT</b> foot back.	Count: TWO	↓ L	R
On the "THREE" count, move the <b>RIGHT</b> foot all the way back and behind your left foot.	Count: THREE	L ↓ R	↓
The "AND" count is a weight shift to the <b>LEFT</b> foot. <i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>	Count: AND	L ←	WEIGHT R
The "FOUR" count is a weight shift to the <b>RIGHT</b> foot. <i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>	Count: FOUR	L WEIGHT →	R
The "FIVE" count is a step back with the <b>LEFT</b> foot. <i>Note: Both feet should again be in an even line.</i>	Count: FIVE	↓ L R	
The "SIX" count is a step up with the <b>RIGHT</b> foot. <i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>	Count: SIX	L R ↑
