### President's Letter... Audrey Borja

Hello everyone, our newsletters are coming out to you more frequently now. I trust you will enjoy the updates and knowing about future events coming up. Surely winter is moving on and we are now on day light savings time. The winter has been mild, just cold and wet but little snow. So, even though our outdoor activities have been dampened, we have had a lot of dancing and fun times at parties and band events. Our holidays brought us together with parties and gift giving with

family and friends. Good spirits all around. We had a great Valentine time together and we all shared lots of good food and dancing. See some pictures in this newsletter of BBC members enjoying the festive occasions. Hope you were there!!

The Moose Lodge has been good to us. We have recently added some candle arrangements to our tables on our dance night. The atmosphere has been improved for your night out with friends. We are working to give you a pleasant and cozy environment as we share time together on dance night. If you have suggestions to enhance our efforts, please let us know.

With the spring coming soon, we will be getting ready to go to SOS in North Myrtle Beach. We have SOS cards to purchase for \$30 to be prepared to get into the clubs to enjoy the dancing, DJs and bands. The cards are \$35 at the Beach. What a fun time you will have. You can stay for 10 days or for 1-10. It is up to you. We always hope for good weather.

We are having a Saint Patty's celebration on March 13. Hope you see this newsletter before

that date so you can join in the fun of the evening with the tunes of the DJ, dancing, games and prizes, all with your favorite beverage. We have many dance nights and events coming up with lessons in new footwork, line dancing and just free flow dancing. No restrictions on what dance you do, We just want you to have a good time. For our Valentine's Day Party we were all were in good spirits as we shared the evening with our friends. We had great food and drink, dancing to the tunes of our famed Craig Jennings. The evening brought out many of our members that we do not see often which was special. Check out the pictures on page 2. Ok, think Spring and come out and spend time with your friends. Be good to yourself and remember dancing is good medicine.

Let the good times roll!!

*In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.*

# THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

## the Basics

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the <b>LEFT</b> foot forward.	Count: ONE	L	R
On the "AND" count, move the <b>RIGHT</b> foot forward.	Count: AND	L	R
On the "TWO" count, move the <b>LEFT</b> foot back.	Count: TWO	L	R
On the "THREE" count, move the <b>RIGHT</b> foot all the way back and behind your left foot.	Count: THREE	L	R
The "AND" count is a weight shift to the <b>LEFT</b> foot.	Count: AND	L	R
The "FOUR" count is a weight shift to the <b>RIGHT</b> foot.	Count: FOUR	L	R
The "FIVE" count is a step back with the <b>LEFT</b> foot.	Count: FIVE	L	R
The "SIX" count is a step up with the <b>RIGHT</b> foot.	Count: SIX	L	R
