President's Letter... Audrey Borja

I am writing this as our summer unfolds. The newsletter brings you the latest in our club and fellow club events. - Some of our members went to the Spring SOS in N. Myrtle Beach and had a great time. We can count on good representation from Fredericksburg for sure. It is such a pleasure to get away to a 10 day party! During the past weeks we have had bands come to the 'burg and many of us had a date night to go and dance to their tunes. Now, as we go into our

summer we want to wish everyone good times, fabulous vacations and continued dancing wherever you go. - Father's Day is June 16 and we want to wish all of our fathers and grandfathers well deserved celebrations. Mothers Day passed us by since our last newsletter, but we want to also honor our mothers and grandmothers. Family unity with cherished members make up our foundations, please keep them strong. - We plan to have a summer picnic in early July pending location certainty. We will send out the date as soon as it is firm. - We are excited to share with you that our BBC Board presented an original painting of a Moose to our dance home the Moose Lodge #1655. The painting was donated to us by a BBC friend, Ms. Brigitte Causey. What a special evening that was. The Moose officials were delighted and grateful. It will be hanging in the Moose Lodge for everyone's pleasure. Thank you Brigitte! Please see the relevant article in the newsletter with more details. We are fortunate to have the Moose Lodge as our dance venue. They

are good to us and the opportunity is rare. Please let them know when you have a chance that we appreciate their hospitality. -Don't forget to get your SOS cards to go to the Fall Migration in N. Myrtle from 9/12-21. You can go for as short or as long as you wish. It is a lot of fun and so refreshing! The Fun Monday tickets are now available. Please check with a Board member to get your tickets. The tickets are \$10 each, with 4 chances to win \$250—\$7,500. A portion of the proceeds go to "Caring for Kids. -"Make a note: the Northern Va. Shag Club Capital Classic is 8/15-16. A great party! And, save the date for our BBC second Sunset Toast party on 10/12. We will begin ticket sales soon. Don't forget to bring in your silent auction items each dance night to help with our Silent Action at our Sunset party. If you have questions on this, just let me know. We will keep you up to date through our Bugle Call notices, just stay tuned for happenings. So, keep the spirit and let the good times roll! 😊

MOOSE An Original Painting Finds A Home...

How exciting! Ms. Brigitte Causey a friend of the BBC donated a painting of a Moose entitled "Morning Watch" to the BBC. In turn with her encouragement the BBC bestowed the painting to the Moose Lodge #1655 where the BBC calls home. As background, Ms. Causey's uncle is the artist, so in honor of Ms. Causey's husband, George Edward Causey she wanted to give the painting to the BBC and the Lodge. The painting is circa 1936 depicting a majestic moose surveying the vista of a new day. The artist, Ms. Causey's uncle, is Karl Grosse-Sattelmair of Munich, Germany best known for his beautiful landscape depictions of his home country.

The BBC wanted to present it to the Moose Lodge #1655 in appreciation for its hospitality for allowing the BBC to hold its dances at the Lodge in the community room. Many of the BBC members also have become Moose members. The BBC wants the Moose Lodge members to enjoy the painting for many years and look forward to seeing it on the wall for everyone's pride and pleasure.

Unveiling painting are Donna Dinger (left) and Brigitte Causey, donator on the (right).

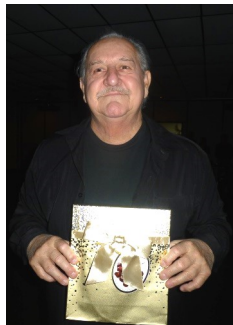

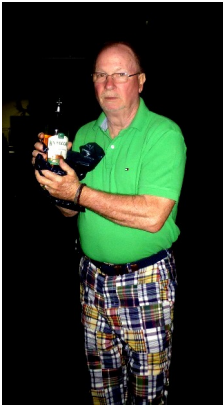

HAPPY EASTER

Bill Ruark and Carol Brown won 1st and 2nd prize in our Easter drawing. Both winners donated their winnings to the Childhelp's Alice C. Tyler Village in Lignum, a residential treatment facility for court-referred severely neglected and abused children.

Jim and his wife Carolyn show off the award

Congratulations!

On March 1, 2019 the newest members of the Beach Music DJ Hall of Fame were inducted at Fat Harold's Beach Club in N. Myrtle Beach, South Carolina. Included was Jim Rose, one of NVSC's former deejays.

Originally from Fredericksburg, VA, Jim now resides in North Myrtle Beach, SC. Jim has been interested and involved in music since the 60s, spinning his first vinyl record for a party in 1968 and

playing in a few bands. Collecting vinyl and DJing is a passion for Jim. He loves to play the music and make people happy. Jim has played in every club on Main Street in North Myrtle. You'll find him now at Ducks during SOS. He also plays at shag club events from Virginia down to Florida.

Jim's radio show, "The Rhythm of the Beach" is a collection of old

and new favorites ranging from the 1940s up to some of today's hits with emphasis on Soul and Rhythm & Blues. Some of the past

shows have included Rat Pack Afternoon, Strictly Northern Soul, Tribute to The Boulevard Grill, Tribute to The Bushes, Tribute to the Jolly Knave and a Smoothies show.

Tune in for some of the best shag music around!

CONGRATULATIONS!
TO OUR HOME TOWN
DJ
JIM ROSE

We regret that this recognition is not timely but we are truly proud of Jim and his accomplishments. Early in his Fredericksburg music days in providing music whenever he could, both for free and to just cover the music he loves, Jim was instrumental in our shag mania in Fredericksburg. He started showing up at local clubs to play for those interested enthusiasts and began a gathering of folks that stuck with him. Then along came the beginnings of the Battlefield Boogie Club. Thank you Jim for planting a seed that helped us wake up Fredericksburg. We are proud of you and continue to support and love your music!

Thank you to Northern Virginia Shag Club for this very nice write up recognizing Jim Rose! We share in the pride!

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

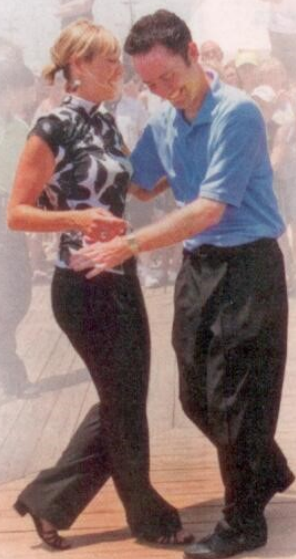

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

the Basics

and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the LEFT foot forward.	Count: ONE	L	R
On the "AND" count, move the RIGHT foot forward.	Count: AND	L	R
On the "TWO" count, move the LEFT foot back.	Count: TWO	L	R
On the "THREE" count, move the RIGHT foot all the way back and behind your left foot.	Count: THREE	L	R
The "AND" count is a weight shift to the LEFT foot.	Count: AND	L	R
The "FOUR" count is a weight shift to the RIGHT foot.	Count: FOUR	L	R
The "FIVE" count is a step back with the LEFT foot.	Count: FIVE	L	R
The "SIX" count is a step up with the RIGHT foot.	Count: SIX	L	R
