### President's Letter...Audrey Borja

Hello everyone!! So you think it's spring, right..? After all, it is May! Well guess what, as I write this letter it is about 50 degrees, the wind is blowing and I am actually cold~ I think spring has been challenged this year with the temperatures and with coming in so gradually. We have had lots of rain and the evenings still can use heat in our homes. Oh well, I guess we will be feeling the sun soon and we will be complaining about the hot days. I guess we can't win. But, we really do have so much in which to be thankful. I remind myself

about this every day. And, I want to pass it along to you~ 😊

We have been in a unique dance club schedule of late. In April we tried a new venue for our dance night, Orleans Bistro and Grill. The first night we had a descent turnout of our members and the second night, it was slight because it was during SOS and many folks were out of town. When we got there on the first night, they welcomed us with open arms, literally. The owner and her staff were beyond delighted to have us spend our dance night at their restaurant. We had dinner selected from their Cajun cuisine menu. The food was delicious! We danced to our DJ, Dicky Estes' tunes and even got some of the restaurant patrons to join in our dancing. We gave a shag lesson with about 15 takers. Later in the evening we did one of our line dances and instructed, and then they did one of their regular line dances as they instructed us. The night was fun, talent rich and had expressions of high spirit. The second night was similar, but we were missing some of the folks from our club and the restaurant patrons that would have added to a fun evening. We are back again in May. We are going to try and meet

there once a month. Back at the Moose Lodge, we should be in good shape for May's schedule and into June. So far, we do not know of any committee meetings that will keep us from using our dance room.

From those that went to Spring SOS, the reports are good. SOS was full of dancing, bands, workshops and hanging out with friends. What's not to be good!! However, we did hear that some folks got sick. With the bad stuff still out there it seems expected that it may haunt gatherings. We heard the parade and various attractions made for 10 days full of fun and laughter. We are sorry about the folks that got sick and we wish everyone well.

As we plan our 2022 activities, the BBC is reaching out to contact previous and current members to see that they are well and to welcome them back to club night. We have some plans in the works for our members to get out and enjoy time with other members. So, stay tuned and look forward to a phone call of friendship and goodwill. We miss you all at our dances and want to be sure that you are well and safe. 😊

*In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.*

# THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✨

## the Basics

Courtesy of GoShagging.com and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the <b>LEFT</b> foot forward.	Count: ONE	L	
		↑	R
On the "AND" count, move the <b>RIGHT</b> foot forward.	Count: AND	L	R
			↑
<i>Note: Both feet should now be in an even line.</i>			
On the "TWO" count, move the <b>LEFT</b> foot back.	Count: TWO		R
		↓	
		L	
On the "THREE" count, move the <b>RIGHT</b> foot all the way back and behind your left foot.	Count: THREE		↓
		L	↓
			R
The "AND" count is a weight shift to the <b>LEFT</b> foot.	Count: AND	L	WEIGHT
<i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>			R
The "FOUR" count is a weight shift to the <b>RIGHT</b> foot.	Count: FOUR		L
<i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>		WEIGHT	R
The "FIVE" count is a step back with the <b>LEFT</b> foot.	Count: FIVE		↓
<i>Note: Both feet should again be in an even line.</i>		L	R
The "SIX" count is a step up with the <b>RIGHT</b> foot.	Count: SIX		R
<i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>		L	↑
