President's Letter... by Wes Kirchner

Greetings to all. I hope everyone had a great summer. I know Shirley and I have. It seems that times flies by so fast we can barely catch our breath. Labor Day has crossed our paths which means it is time to plan for SOS Fall Migration, as most of you know, starts September 14th and ends on the 23rd. I know many of you are planning a trip to N. Myrtle Beach and hope you can attend the FUN SUNDAY and MONDAY activities. Several bands will be playing and all for you.

The last couple of months have given us some great times. In July, we attended the Annual Classic at The Northern Virginia Shag Club. As always a great time was had by all, including Hula Dance instructions. In fact this one hula dancer caught my attention with the flowing hip movement and smooth and subtle hand gestures UNTIL..... I saw the mustache. Great dance Bob.

Our own hugely successful Cannon Ball Blast, which has received compliments by the dozens, was followed up by a great Free Lance Star article featuring our club the next week. Our members and guests really opened the eyes of the reporter with our excitement for our dance and our friendship with one another. As your President, I was very proud to be associated with all of you. Thanks go to Audrey Borja and her many helpers for putting on another great annual party to go in our history book. She is already starting plans for the 9th.

In the next month we will be starting our election nominations. I hope some of our members that have not served on the board or held an office will step up and toss

their hat into the ring. This is your club and if you think you can be of help please consider entering the race. .

It has been a great privilege to be your President, however, I will *not* be running this year. Time to turn over the helm to one of our officers.

For those who have not been out for awhile I welcome you to come and see what a great group of people we have each week. We have varied the lessons some, taking into consideration that we have some advanced dancers who need and want to learn new things or just brush up on a step we have taught earlier. The fifth Thursday is a great time for this as it is the instructor's choice week.

Our line dance instructor Jewel, is keeping us on our toes with new dances which everyone enjoys. Ask her sometime to show you the variations on the Wobble. Really cool stuff....

Wes

BBC Annual Party!!

A huge shout of THANKS goes to Audrey Borja for her planning, phone calling and ticket sales to make our party such a huge success. Donna & Larry Bivens added elegance to the tables with their decorations, Darlene Weaver, Joanne Locklair, Melissa Lipps, were all graciously chipping in wherever needed. Thanks Craig & Heather for hosting Butch Metcalf for the weekend. Lastly, thanks to all of YOU for supporting our BBC annual party!

What is the Gerry Bertier #42 Foundation?

Remember the high school football team that overcame racism amidst the blare of civil rights riots and stadiums of cheering fans? Remember the players' sweat drenching the grass beneath them during intensive training to win the state championship? Remember the tragedy of Gerry Bertier, Virginia's first high school All-American football player, who in an instant was left unable to ever walk again? For many, remembering the Titans and their defensive leader's car accident is easy after watching the Disney adaptation of their story. But the years left untouched by the film "Remember the Titans" are just as remarkable, with Bertier winning gold medals in the Wheelchair Olympics, ensuring handicapped access throughout Alexandria and helping those recently paralyzed and with depression until his death in 1981.

Gerry's foundation started in mid 2005. It's hard to believe that the foundation began just a few years ago with only four family members, unsure of where to begin. The foundation became an official 501c (3) in January 2006. Thanks to the dedication and support of many individuals (our volunteers, of which there are more than 60, original Titans and Coaches, family members) and companies like The Free Lance-Star, Merrill Lynch, The Anderson Company, we have been able to raise over \$150,000 (including matching funds from the endowment set up at VCU) to give to Virginia Commonwealth University Spinal Cord Injury (SCI) Rehabilitation and Research Center.

Book Buddies

Through The Salvation Army thousands of books are given each year at Christmas to children in the Fredericksburg area. The Battlefield Boogie Club has donated hundreds of books to this valuable program which allows many children to own their very first book.

Please help by bringing in books on Thursday nights for children from birth to 14. Thanks to all of you!
