President's Letter...Audrey Borja

Welcome to Fall y'all~ With summer over now we can look forward to the beautiful colors and the trees and the cool days and nights. Our dance club had an uneventful summer with everyone coming and going on vacation and sharing time with their families. That is a good thing. We danced at the Bistro a couple of times over the summer but mostly danced at the Moose Lodge. We are a hardy few and we try to make the best of our venues but always keep our options open. Before I tell you

how great our annual party was, I want to let you know that we lost a very loyal member of our BBC and a good friend to us, Ann Martin. Ann had some health issues, but we had no idea her health would come to be fatal for her. She was one of our original BBC members and always attended our dances when she could. She promoted us and always explored various venues for us and watched out for the welfare of our club. Ann was a true friend to us and the music and dance that we all love. It is just so hard to believe that she is no longer among us. May Ann rest in peace. She will be missed. Other BBC members have had bouts with health issues, but are pushing through them as best they can. Just know that each and every one of us are special and we all care about each other. So, take care of yourselves and know that you are part of our BBC family.

and a wagon of cheer that went to the raffle winner. We had way too much fun! We had some high-spirited folks in attendance and such a good time~ The Lake of the Woods Clubhouse does such a good job in making our evening special and the sunset was once again a delight to share and to remind us of our many blessings. Thanks to all the BBC folks that helped in so many ways to have yet another great annual party. We are getting a reputation and why, because we rock!

Our activities should pick up as we work our way to the holidays. So, wishing that everyone stays well and takes care of themselves. Dance when you can, continue to spread good will, and spend time with the ones you love!

Let the good times roll~~

to it.*

We are so sad that we suddenly lost our friend. It seems like over night she is not among us. We miss Ann and will never forget her gentle and kind ways. She loved music and shag dancing and our memory will include Ann listening and dancing to beach music, and watching the next band and tapping her feet.

May She Rest In Peace.

In Myrtle Beach, shag dancing is as big of a draw now for tourists and locals alike as it was in the 1930s and '40s. Generations of dancers continue the traditional steps that many believe were born here in the strands of the Carolinas. The dance is commonly referred to as the Carolina Shag, and in South Carolina's culture its roots run deeper than those on a palmetto tree.

THE CAROLINA SHAG

By Jacquelyn Eurice

As the official "State Dance" of South Carolina, the shag is a relatively simple dance though it can be altered to present a very complex choreography. In its simplest form, it consists of a shuffle that is performed in eight-beats. Dancers count their movements "one-and-two; three-and-four; five, six" with "and" being a distinct step. Veteran dancers regularly embellish these steps with twirls, twists and other whimsical movements as they gracefully swirl around the floor—usually hand-in-hand.

Music choice is an important element for the shag just as it is with any other dance. "Beach music" is the soul of shag dancing. Many describe it as a lifestyle—the type of music that conjures up images of the ocean, driving in a convertible, and relaxing on sunny days. Beach music is derived from R&B hits from the '40s and '50s and many local radio stations are dedicated to this genre. Serious shaggers will refer novices to standards such as "Summertime's Calling Me" by The Catalinas, or "Carolina Girls" performed by Chairmen of the Board. The Tams, Temptations, and Isley Brothers have also had hits that are popular with shaggers. Now other music genres such as country and rock are lending their sounds to create the backbone beat for the dance. Most other dances simply move to the beat that was recorded, but for the shag, DJs will speed up or slow down a track to the requisite 120 beats per minute.

Myrtle Beach is home to a number of shag clubs and shaggers from across the U.S. who come here to compete in dance-offs. Go ahead and give it a whirl. And who knows? You may soon be back to the Grand Strand for your new love of shagging. ✱

the Basics

and Mike Rink

The basic shag is counted: "One-And-Two, Three-And-Four, Five, Six." Each word represents a step. Imagine six blocks on the floor the length of your foot, then follow these directions. The male steps are represented below. The female steps are exactly the opposite.

On the "ONE" count, start by moving the LEFT foot forward.	Count: ONE	L	
		↑	R
On the "AND" count, move the RIGHT foot forward.	Count: AND	L	R
			↑
<i>Note: Both feet should now be in an even line.</i>			
On the "TWO" count, move the LEFT foot back.	Count: TWO		R
		↓	
On the "THREE" count, move the RIGHT foot all the way back and behind your left foot.	Count: THREE		↓
		L	↓
			R
The "AND" count is a weight shift to the LEFT foot.	Count: AND	L	WEIGHT ←
<i>Note: You may also step in place with the left foot. Do not move it forward or backward.</i>			R
The "FOUR" count is a weight shift to the RIGHT foot.	Count: FOUR		L
		WEIGHT →	R
<i>Note: You may also step in place with the right foot. Again, do not move it forward or backward.</i>			
The "FIVE" count is a step back with the LEFT foot.	Count: FIVE	↓	
		L	R
<i>Note: Both feet should again be in an even line.</i>			
The "SIX" count is a step up with the RIGHT foot.	Count: SIX		R
		L	↑
<i>Note: Next, you step forward with the left foot back to the "ONE" count.</i>
