### President's Letter...Audrey Borja

Oh my we are off to the Fall of 2024! How quickly the summer flew by. I hope you all had a great summer, full of good health and fun things! – The BBC had a super high -spirited Annual Party at the end of August. After a scare of contaminated water in the area of where we were going to have our party, we postponed it for a week. After the Health Department certified that the water was safe to drink we had our Margaritaville at the Lake party on August 31! The feelings were so ready for a party and it proved true to lift our moods from the water crisis. The dinner, the music and the dancing were all enhanced by our treasure hunt silent auction, the lighted

wagon full of goodies, the 50/50 and a couple of games from which no one could escape. The professional swing dancers entertained us and even provided information to us of how, we too, could dance like them with a few lessons.... Probably Not..! Yes, our party was such a success that we were able to donate a significant amount to St. Jude's Children Hospital. We are so pleased that we were in a position to give to such a worthy cause. If you were not at our party, you missed a good time. Plan to attend next year on August 16, 2025. We are looking forward to the last quarter of 2024 in making our dance life even more enjoyable. We still have our club nights at the Moose Lodge in Fredericksburg, Va., but we are aggressively looking for other venues that will fit for us. - We have danced at one of the local Breweries and the experience has been positive. They welcomed us and are not fussy about the way we function with our DJ, moving tables, not spending a lot of money, and even having a donation box for our DJ's compensation. I think we have been spending enough money to earn our keep, so maybe we will go to the Breweries more frequently while holding the Moose Lodge as our home base. We want to do what works to be secure even with the restrictions of the Moose Lodge while reaching out at public places that provide us an opportunity to attract new members. The Moose Lodge has been good to us but we can not attract new members when you have to be a member to attend our club danc-

es. We want to take a minute and show our appreciation for our DJs. Our DJs are so dependable and loyal to us and we want them to know that we are grateful for them. We know they could go elsewhere and make a lot more money, but they stay with us. Not only is the music just what we need, but it gets us on the floor to shag as well as try out new line dances. Fun for all no matter your dance skills. Our health meter is pretty good now reflecting our members with the exception of Darlene Weaver, our Vice President and acting Treasurer. Darlene has been sick for months. Please pray for her recovery. For the rest of us, embrace your strengths and join us to dance when you can. If you have ideas of club activities, just let me, or a board member know and we will put your idea to action. All BBC members would appreciate new and exciting fun things to do for our club. Let's don't get dormant! As you are able, and as our BBC member, Wes Kirchner would say, "if you rest, you rust." till next time, watch the leaves turn color and catch a Fall sunset.

Let the good times roll!
