### President's Letter...Audrey Borja

Hello everyone.....hope your Spring is starting off with a lot of spirit. It has been cool but the nice weather is just around the corner. We all are ready to get outside and refresh from our winter cabin fevers. We have been a bit slow on the homefront but things are going to pick up. Our dance nights at our three venues have gotten us out and about with our friends and good music. The last several weeks have been cooler that you would expect for this time of year but we all

look forward to the pollen finishing its bad-air self. – Our dancing has been fun with our shag footwork and the addition of the west coast swing dancers. Several of us have taken lessons and encouraging all dancers to join on our dance nights. We are loyal of course to shag, but with an open door policy for other similar dancing, we are gaining new interest. So, as you read this, if you know of folks that may be interested in our shag and dancing in general, please pass along the word. We will promote our shag while respecting other dance styles. The same music genre' prevails. The Spring SOS brought many folks to N. Myrtle Beach, and we understand that it was a blast. If you have never gone, you might want to plan to go to the SOS Fall Migration in September. You will see old friends and meet new ones, all in a few days. -- I want to let you know that our hometown member and DJ, Craig Jennings and his wife Heather Jennings will be inducted into the Competitive Shaggers Walk of Fame that

will be held during the Grand Nationals in Atlanta, Ga. during the Memorial Day weekend. This is a tribute by their fellow peers and is very special. Craig will also be the DJ during that legendary event. Way to go Craig and Heather! Please check the "What's Up" column in this newsletter for things coming up in and around. We want to thank our DJs Dicky Estes, Don Borja (pitching in) and Craig Jennings for spinning our tunes. We are so fortunate to have you!!==Please know that we welcome suggestions and ideas for our BBC. We want you to be happy and help us sustain. Dancing is good medicine and we want to bring dancing and good music to our area. Your support and involvement are critical for us! Remember to embrace your strength and that... if you rest....too much....you will rust!

Let the good times roll!
