### President's Letter...Audrey Borja

Spring is in the air as I write this. The winter has tested all of our wits....but we are almost to the time when we can go outside and enjoy the soft breeze and even do some gardening and all kinds recreation. Yes, we are all looking forward to warmer days. -The Battlefield Boogie Club (BBC) has been busy staying intact. We have been dancing at our different venues which has given us a good change. Some of our members have had various things going on and have not been able to get out and dance with us. But, no problem, we support our members coming and going. We had a busy January, but as it turns out we did not have a Valentine party in February be-

cause circumstances did not support our planning and predicted attendance. We plan to have a spring party in a special venue, maybe a winery trip - all at the expense of the BBC as a give back to our members. So, stay tuned.

Actually, there have been lots of changes in the BBC. We have been in a void lately with Ron Lipps our long -time DJ moving to North Carolina. This left us with one DJ who has been a DJ for us at the Moose Lodge for years. Thank you to Dicky Estes who has stuck with us during some unpredictable times. He has been loyal and dependable. Also, now of late, we want to thank Don Borja who stepped up to provide our music in other venues as well as backing up Dicky at the Moose. Don is new to DJ'ing and has helped us out for the past few months for free. He has purchased a state of the art sound system and has put an impressive play list together to include song choices of our members. As usual, we continue to ask for donations on our dance night and since we are in a better financial position, we will now compensate Don for his time and music through the donations. We will include other DJ's in our dance nights and special parties as we can, so just know that we are working to have the best music available.

were there we went over to visit a long-distance BBC member, Angie Bushey, who lives in the NMB area. Angie often represents the BBC at the mandatory shag club meetings. What a delight it was to see her and to share time in her lovely home. She showed us her vast wine and museum-quality art collections. She even picked out one of her special wines for us to sample. Very tasty. Angie is an experienced and energetic member of our BBC. Her support in so many ways is invaluable. Check out the pictures in this newsletter.

I encourage each of you to try to come and dance with us when you can and contribute to our club's welfare. We want to grow and get strong in the dance community. We have opened up our advertisements to all dances while promoting and encouraging the Carolina Shag. I think this will attract new members and make for a shared dance circuit, both locally and regionally.

So, embrace your strengths, be good to each other and cherish your families. We can spread our smiles and friendships to make our journeys a pleasure... It is all free. Enjoy the spring and dance when you can!

Let the good times roll! 😊

A few weeks ago, the BBC President, that would be me.... and spouse went to N. Myrtle Beach for a meeting. While we

# About

What fun it was to be in North Myrtle Beach and see our long distant BBC member Angie Bushey! Angie has been around the shag world for many years and she really knows her way around it beginning in Virginia. Not only does Angie know who's who in the shag world, but being an avid traveler, she also know her wines and the treasures of fine art. —Talk about an interesting person...You could spend hours discussing topics that leave you smarter! Thank you Angie for your friendship! We cherish it!
